# “We’re Building People”

LifeSpring Church has an opportunity to grow a legacy. Not a legacy of brick and mortar but a legacy of Christ-followers, equipped to make disciples of each succeeding generation. Our mission is not to build buildings but to build people.

Yet, we have experienced that adequate and strategic space is crucial for reaching and equipping people. We must address the problem of overcrowding in both the children's areas and the lobby, as well as the need to open up additional spaces for student and adult groups. That's what Phase 3 is all about.

The Building Implementation Group and senior staff have been working with Brown Church Development Group and Halo Architects to refine preliminary plans for a new building addition, Phase 3. Floor plans and outside elevations have been drawn. Also, an exciting animation has been produced which will allow members to “walk through” the major spaces of the building.

: First Fruits Sunday, Campaign giving begins

Pray fervently for our church in this crucial time. God is moving mightily in LSC to change lives! Join Him in his work by going “all in” during this capital campaign by attending each Sunday, as well as one of the Vision Meetings. It’s all about growing a legacy—a legacy of changed lives.

## What would phase 3 include?

- a two-story children’s building on the northwest corner of our current lobby: preschoolers upstairs, children downstairs. Both with secure entries. Both levels will have large gathering rooms.
- an indoor, enclosed playground on the main level, adjoining the lobby.
- a greatly expanded, upscale lobby with room for fellowship, ministry booths, space to gather with friends, and a café.
- adult classroom space due to children vacating existing children’s classrooms.
- additional rooms for students.
- much greater hallway space and a feel of openness.

## Why is this so important?

This new construction and remodeling project would help alleviate some of our greatest hindrances to reaching and assimilating people: packed hallways, a crowded lobby, little adult space, overcrowding in our Worship KidStyle, preschool, and children’s classrooms, and unsecured children’s spaces.

## 4 WAYS TO GIVE

---

### GIVE A CASH GIFT

Ask God for creative ways to increase your gift. You might consider income from savings, tax refund, garage sales, inheritance, deferring a major purchase, and extra part-time job, etc. Involve your whole family in raising a specific amount and give as much of your three-year commitment as possible, as an act of worship on December 4.

### GIVE A GIFT OF ASSETS

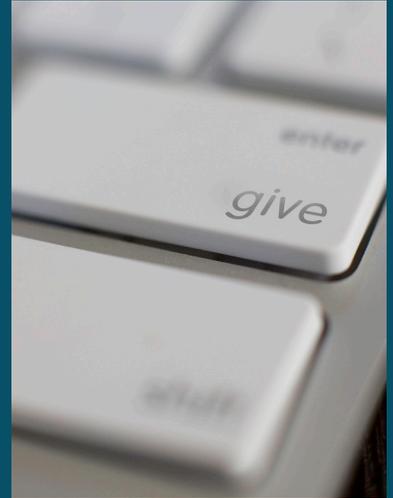

You can give real estate, stocks, bonds, coins, gold, cars, boats, etc. This is a valuable way to leverage your giving to the direct work of the ministry and take full advantage of the available tax benefits the government allows. Please contact Steve Hicks at 402-292-4546 for details or email [shicks@lifespringchurch.com](mailto:shicks@lifespringchurch.com)

### GIVE A 36 MONTH COMMITMENT

You can give far more when it's spread out over time. The Bible teaches that your faith and spiritual maturity develop through the habit of weekly, consistent giving. If you've ever committed to a monthly car, mortgage, or rental payment, certainly you can make a giving commitment to God! Automatic withdrawal is available and encouraged.

### GIVE A GIFT IN KIND

If you own a business or have skills that can assist LSC in the building process, you may be able to donate to the church and possibly benefit for tax advantages through your gifts while lowering the overall cost of our expansion. Please contact Steve Hicks at 402-292-4546 for details or email [shicks@lifespringchurch.com](mailto:shicks@lifespringchurch.com).

## COMMON OBJECTIONS TO GIVING

---

Thought: "I am in debt or have too many bills\* and can't give."

Answer: Everyone can give something. Trust God.

Thought: "I am not a member of LifeSpring Church."

Answer: Anyone can join us in this journey of faith. Also consider membership.

Thought: "I am moving next year."

Answer: Your commitment to give lasts only while you are at LSC.

Thought: "My gift won't make a difference."

Answer: Remember the boy who gave his lunch? It fed 5,000.

\*If you need financial counseling, we will be glad to help you.

Contact one of the pastors.

## FOUR STEPS TO MAKE A DIFFERENCE

---

**PRAY:** As a family, ask God what He wants you to give.

**COMMIT:** Turn in your commitment card (Sunday, November 20).

**GIVE:** Start giving on First Fruits Sunday (December 4). If possible, give as much of your commitment as you can on that Sunday.

**TRUST GOD:** By faith, give what you have committed to give.
